### **10. Stability and Reactivity.**

Stability:	Stable under normal conditions.
Hazardous Decomposition:	Oxides of carbon, water vapour and unidentified organic and inorganic compounds, some of which could be toxic may be evolved.
Conditions to Avoid:	Naked flames, hot surfaces, other high temperature sources. Strong oxidising agents.

### **11. Toxicological Information.**

Product is of low acute oral toxicity.

Eyes:	Not classified as an eye irritant. However contact with the undiluted product may cause mild irritation.
Skin:	Prolonged or repeated contact with the undiluted product may cause dryness and slight irritation.
Inhalation:	Unlikely to present any significant hazard at ambient temperature.
Ingestion:	Low order of acute toxicity. Ingestion of this product is not regarded as a significant health hazard, likely to arise in normal use.

### **12. Ecological Information.**

There is no data available on the product itself.

The components of the product exhibit good to moderate biodegradability. They are not expected to bio-accumulate.

### **13. Disposal Recommendations.**

Product should be disposed of via an authorised waste disposal contractor in accordance with all local and national regulations.

Wash out containers with water, running the washings to sewage treatment plant system. Dispose of empty containers in accordance with local and national regulations.

Advice can be obtained from the Waste Regulation Authority whether special waste regulations apply to this product.

### **14. Transport Information.**

Not Classified.

### **15. Regulatory Information.**

Label for Supply:	Not Classified.
Risk Phrases:	None
Safety Phrases:	S2: Keep out of reach of children.

### **16. Other Information.**

Do not mix with other chemicals.

The information provided in this data sheet has been compiled in accordance with the requirements of the Chemicals (Hazard information and packaging) Regulations, Directive 93/112/EC.

This data sheet does not constitute an assessment of the workplace risks as required under the provisions of the Health & Safety at Work act and the Control of Substances Hazardous to Health (COSHH).
