AIRFRESH LEMON

A concentrated perfume blend for use as an institutional, industrial and municipal deodourant. The highly effective concentrate is specially formulated to rapidly replace malodours with a pleasant citrus fragrance. The additional biocide package gives a dual action product which eliminates the odour producing bacteria and provides an improved living or working environment

- **Highly effective**
- **Long Lasting**
- **Dual Action**
- **Biodegradable**
- **Can be diluted**
- **Non-toxic**
- **Cost effective**

Application

Supplied as a concentrate it can be swabbed, brushed or sprayed onto most hard surfaces or into the atmosphere. Dilute up to 500:1 depending on degree of residual perfume required. Repeat on regular occasions to maintain perfume level.

IN ALL CASES TEST ON A SMALL AREA FIRST.

Available in 5, 25, 30, 205 and 1000 litre plastic containers
