# FURNITURE POLISH

A low viscosity easy to use emulsion polish developed for use on household interiors and other plastic or vinyl surfaces. May also be used as a leather cleaner and nourisher. This formulation provides a natural streak free lustre in seconds leaving a pleasant light perfume with no sticky residues. Returns tired looking vinyl to almost original condition.

- **Effective and suitable for most surfaces.**
- **Cleans and polishes in one application.**
- **Long lasting lustre.**
- **No residual dust or streaks.**
- **Non-sticky.**
- **Lightly perfumed**

### Application

Use Northern **Environmental** printed trigger spray and use neat from the container, apply to soft cloth and rub a thin layer onto surface being treated. Continue to gently polish surface until an even lustre is achieved. Do not use in strong direct sunlight. Repeat at regular intervals. Do not use on floors.

**Available 5 litre plastic packs.**
