### EXTRACTION CARPET PRO

A concentrated **Environmental** fabric and carpet cleaner ideal for use by hand and extraction machines. Contains a pleasant perfume and a bactericide to neutralise smells and kill germs. Removes a variety of stains in both domestic and automotive environments. Also suitable for carpet & fabric spot cleaning

- Economical to use – high activity
- Easily and gently removes dirt and grime
- Safe on paintwork, metal surfaces, glass and rubber
- Universal application
- Effective in hard and soft waters
- Petroleum solvent free
- Non Caustic
- Pleasant perfume
- Biodegradable
- Controlled foam system
- Includes water softener

### Application

**General Cleaning** : Use at up to 1 to 250 parts dilution in water via an extraction machine or by brush, swab or spray manually. Use at 1 to 100 for areas of heavier soiling. A concentrated solution of 1 to 10 may be used for spotting. Then rinse, where possible, with clean water.

***Always test on an inconspicuous area to check on colourfastness before treating main fabric***

Available in 5, 25, 30 and 205 litre plastic containers
