# MPD SUPERLEMON28%

A highly concentrated blend of surfactants, soil dispersants and sequestrants blended with dye and preserving agents, which gives this product the capability to remove heavy soiling which would normally require a more heavy duty cleaner. Suitable for a wide variety of cleaning applications on most non-porous surfaces such as dish washing, floor and wall cleaning.

- Effective at higher dilutions
- Easily and gently removes dirt and grime
- Safe on paintwork, metal surfaces, glass and rubber
- Universal application
- Effective in hard and soft waters
- Petroleum solvent free
- Non Caustic
- High Foaming

### Application

**General Cleaning** : Use at up to 1 to 300 parts dilution in water. Apply via brush, swab or spray. Then rinse with clean water.

**Heavy Duty Cleaning** : Dilute up to 1 part in 100 of water. Apply to surface, work into dirt, allow a few minutes contact time prior to rinsing.

**Available in 5, 25, 30 and 205 litre plastic containers**
